

**DECLARATION OF THE FOUNDING CONTRIBUTORS
TO THE INTERNATIONAL STABILIZATION FORCE**

We, the undersigned, united by a shared responsibility to advance peace and stability, hereby affirm our commitment to support the Board of Peace's International Stabilization Force (ISF) for Gaza, as endorsed by United Nations Security Council Resolution 2803 of 17 November 2025. We recognize that lasting peace requires collective resolve, timely action, and sharing burdens in the service of international security.

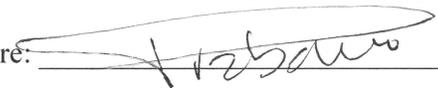

Through this Declaration, we express our intention to contribute troops to the ISF, consistent with the decisions of the Board of Peace and our respective national processes. We pledge to cooperate in good faith to ensure that the ISF is professional, disciplined, and guided by respect for human dignity and applicable international law.

We further affirm our solidarity with one another and our readiness to work together to implement President Donald J. Trump's Comprehensive Plan to End the Gaza Conflict. This Declaration reflects our enduring political commitment as founding contributors and our shared aspiration to uphold peace through common effort.
