

**DECLARATION OF THE FOUNDING DONORS
TO THE BOARD OF PEACE**

We, the undersigned, united by a shared responsibility to advance peace and stability, hereby affirm our commitment to provide financial support to the Board of Peace. We recognize that lasting peace requires collective resolve, timely action, and sharing burdens in the service of our common humanity.

Through this Declaration, we express our intention to contribute funds to the Board of Peace, consistent with the decisions of the Board of Peace and our respective national processes. We pledge to cooperate in good faith to help ensure that the Board of Peace is adequately resourced, professionally supported, and guided by respect for human dignity and international law.

We further affirm our solidarity with one another and our readiness to work together to implement President Donald J. Trump's Comprehensive Plan to End the Gaza Conflict. This Declaration reflects our enduring political commitment as founding donors and our shared aspiration to uphold peace through common effort.
